

Palisade bi04

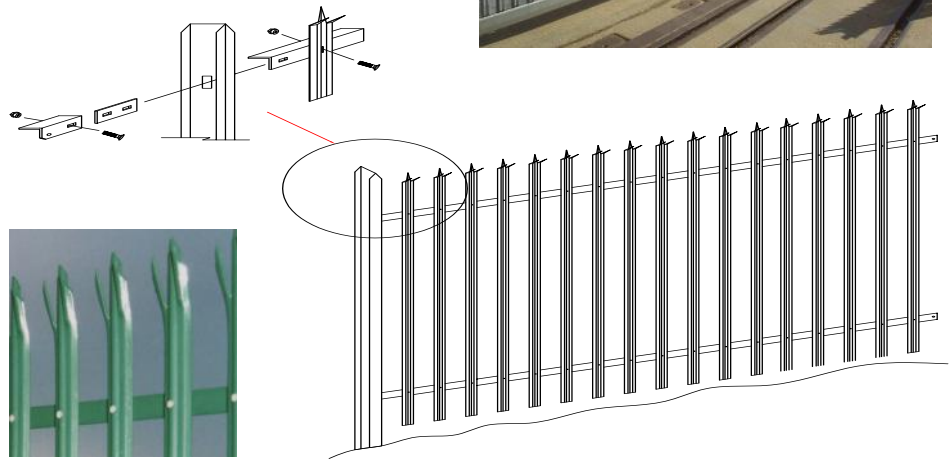

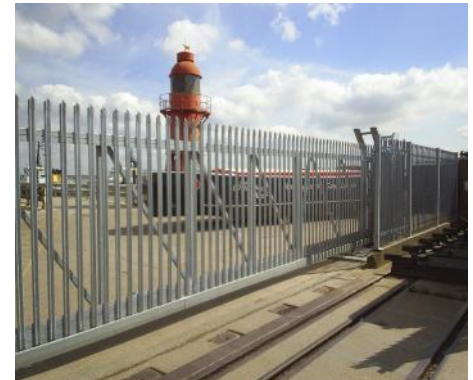

Procter's palisade fencing is made with either 2mm 'W' section pales or 3mm 'D' section pales in a full range of heights from 1.0 metres up to 3.0 metres. Our palisade fences are manufactured from material sizes specified within the requirements of British Standard 1722 part:12 1990.

Procter's manufacture high quality hinged or sliding gates to complement our range of palisade. Gates can be manufactured to any size from 0.9m wide up to 12m

Procter's palisade is available in standard galvanised or is available in various colours. The pales are available with pointed, triple pointed, rounded or round and notched head detail.
